TuckPack™

Notebook Carrying Sleeve

Don't run with the pack.

Big bags always mean big stuff. One minute you are carrying your wallet and keys and the next you've got enough gear in there to outfit a little league team. Sure, there is a time and place for hauling around bowling balls and paperweights, but for when it's not, we created the TuckPack. Lightweight and simple, your small, slim TuckPack can be slipped inside a larger bag or briefcase. Standing alone, it is the perfect notebook tote for anywhere from your office to the dog park.
